ENRICHING LIVING

# OUR HISTORY

Arkaz is a leading player in the construction chemicals industry in the GCC that has been operating for more than 15 years

Founded as a joint venture with W.R. Grace, a global leader in concrete admixtures and waterproofing, Arkaz became a 100% owned subsidiary of Alturki Holding.

Arkaz is primarily focused on providing unique, innovative and cost-effective Construction Chemicals and Specialty Building Materials of the highest quality that cater to the requirements of the industry

In 2026 Arkaz was fully acquired by the Master Builders Solutions Group.

2008

Joint venture between WR Grace and Alturki Holding

2012

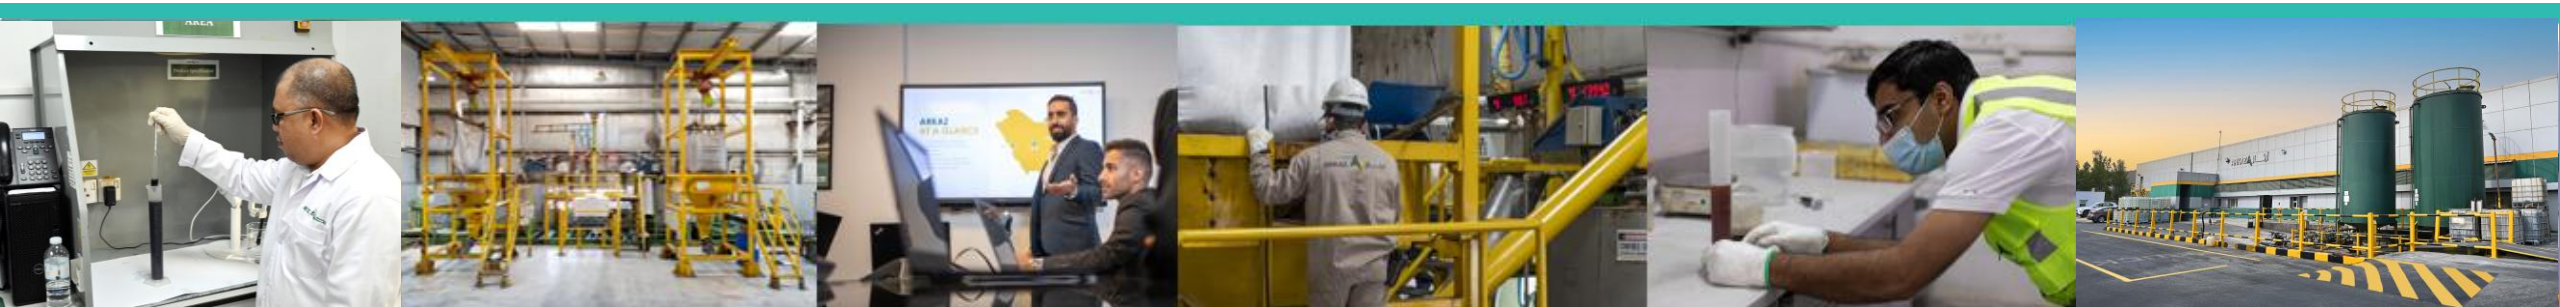

Fully acquired by Alturki Holding

2026

Fully acquired and now part of the Master Builders Solutions group.

# ARKAZ AT A GLANCE

- 2 fully equipped plants in Saudi Arabia
- Qualified international team, 125 employees
- 3 warehouses
- 4 regional offices
- Export network in Middle East and North Africa
- Part of the Master Builders Solutions Group

# ARKAZ IS PART OF **MASTER BUILDERS SOLUTIONS**, A GLOBAL NETWORK

For more than 115 years, Master Builders Solutions has stood beside builders, architects, engineers, and contractors—solving challenges and advancing construction through innovation and commitment. Today, Master Builders Solutions is a leading global manufacturer of concrete admixtures, as well as other solutions for concrete construction, focused on delivering its vision: Inspiring people to build better, provides value-added technology and market-leading R&D capabilities to improve the performance of construction materials and to enable the reduction of CO2 emissions in the production of concrete.

115+

Operating  
years

47

Coming from a rich heritage of innovation

# ARKAZ PRODUCT RANGE

01

## ADMIXTURE SYSTEMS (AS)

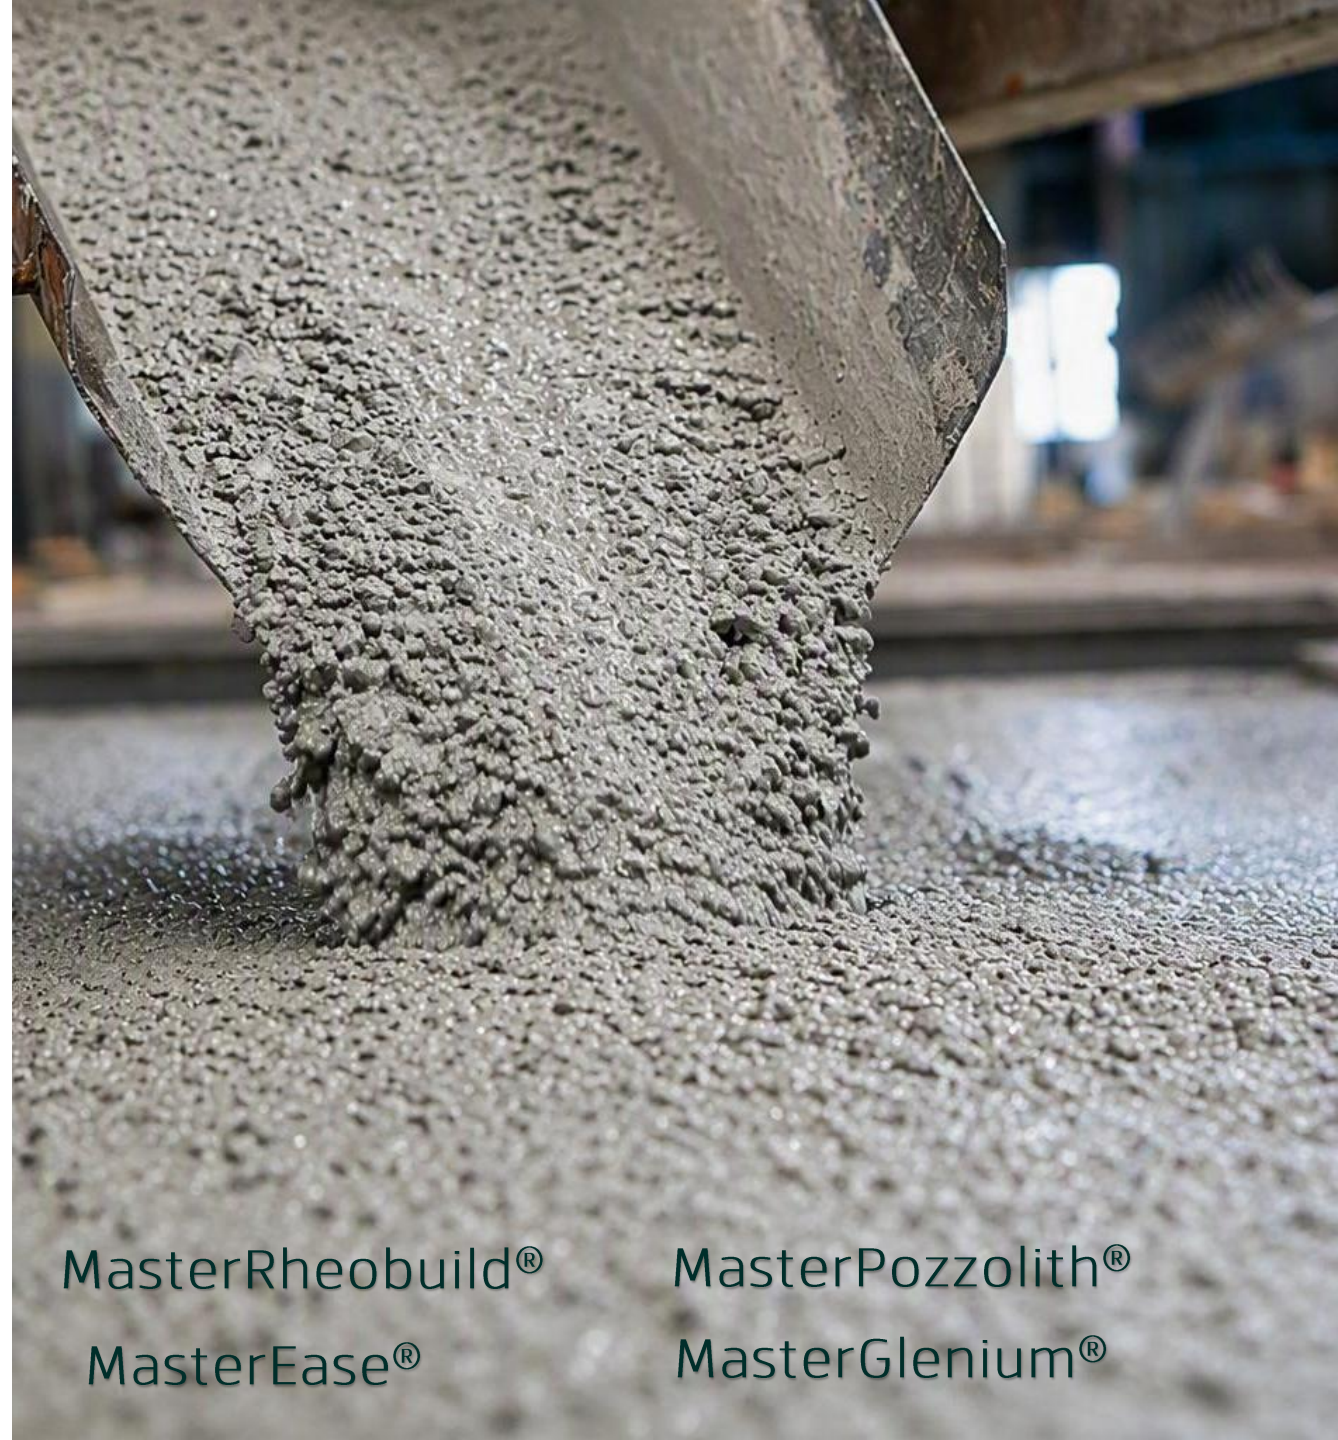

### PRODUCT RANGE

Arkaz produces performance enhancing Concrete Admixtures locally through 2, 100% owned plants, in Dammam and Jeddah.

A wide variety of almost 100 different concrete admixtures (fit for purpose):

- Plasticizers & Set Retarders.
- Superplasticizers (SNF and PCE)
- Specialty concrete chemicals:
  - Chemical Release Agent
  - Corrosion Inhibiting Admixture
  - Hydration Stabilizers

®: Registered trademark of the Master Builders Solutions Group

MasterEase®

MasterPozzolith®  
MasterGlenium®

02

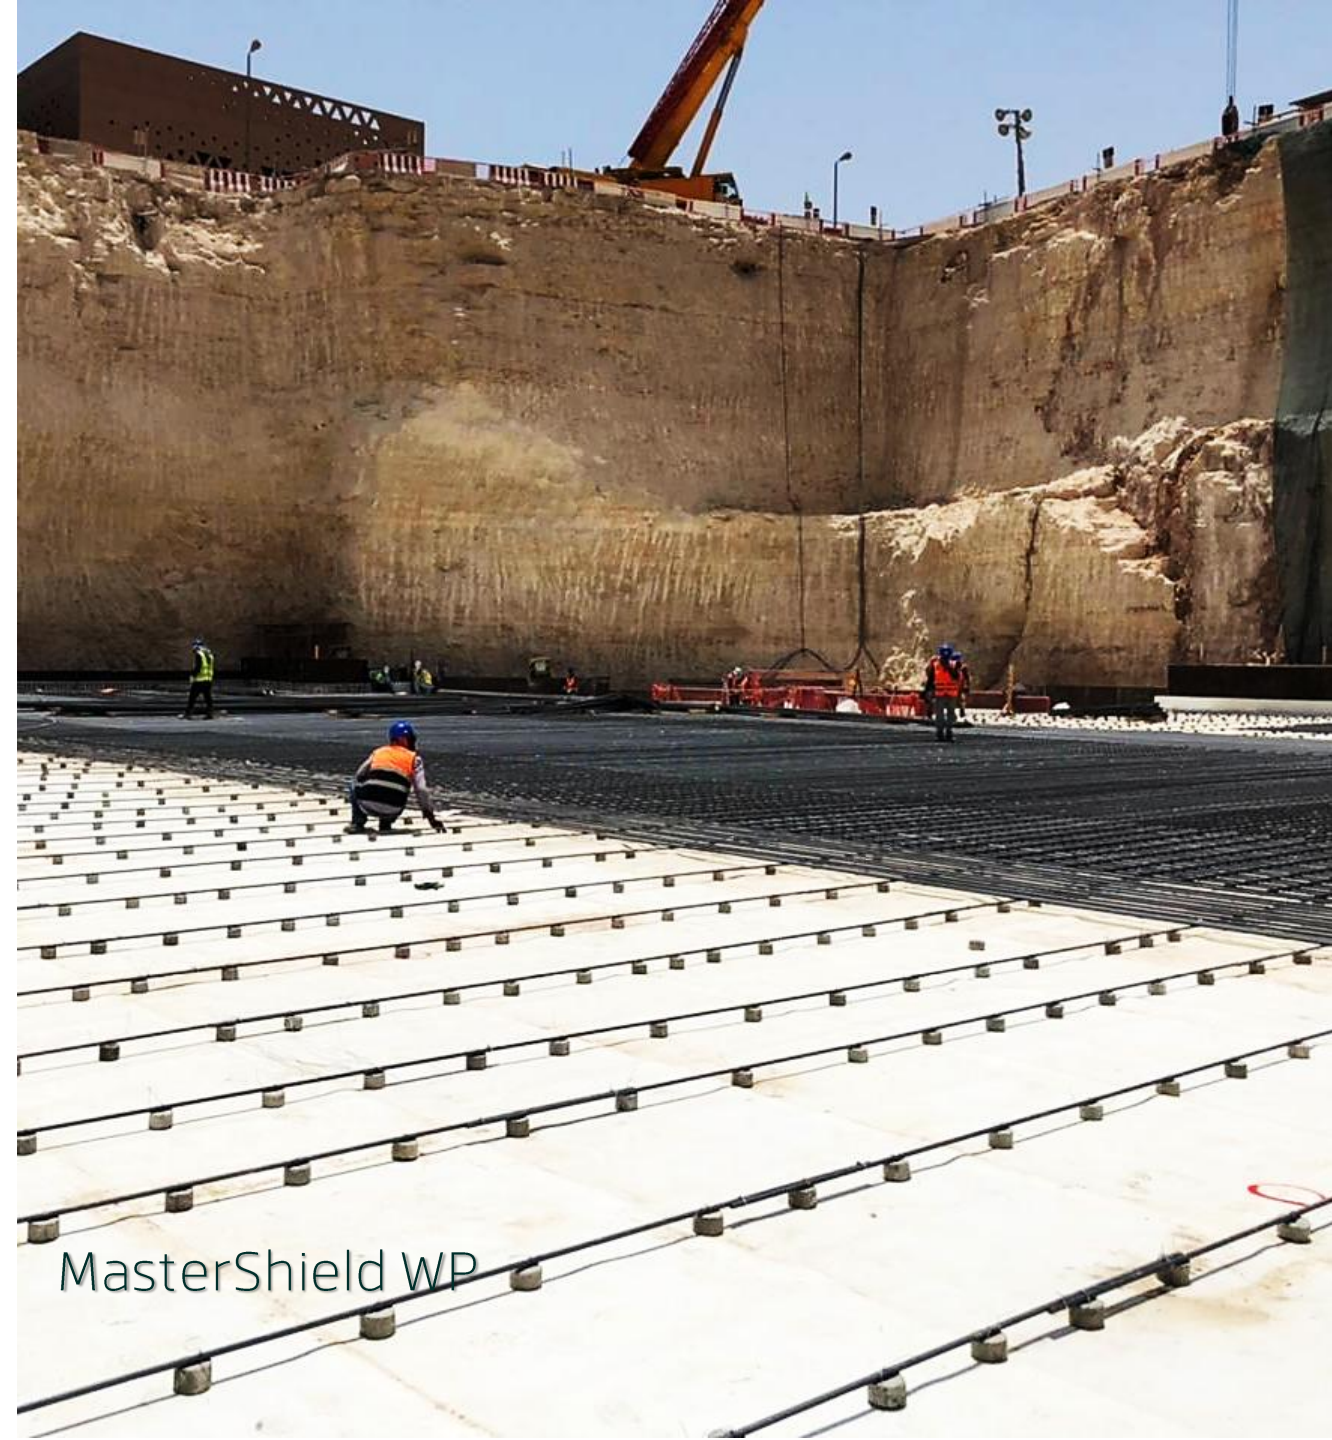

## CONSTRUCTION SYSTEMS (CS)

# WATERPROOFING SYSTEMS

Arkaz provides complete waterproofing systems designed to protect structures from water ingress across a wide range of applications, from foundations and roofs to specialized coating and repair solutions.

- Underground Waterproofing
- Roofing System
- Cementitious Waterproofing
- Injection Systems
- Polyurea Coating

MasterShield WP

02

## CONSTRUCTION SYSTEMS (CS)

# REPAIR AND STRUCTURAL SOLUTIONS

Comprehensive structural rehabilitation solutions designed to restore concrete integrity, improve load-bearing performance, and extend the lifespan of buildings and infrastructure.

- Repair Mortars
- Structural Strengthening
- Grouts
- Cementitious Mortars

MasterStrength®

MasterCrete®

02

## CONSTRUCTION SYSTEMS (CS)

### FLOORING SYSTEMS

High-performance finishing and installation systems that enhance functionality, aesthetics, and durability while supporting efficient construction and long-term operational performance.

- Epoxy Flooring
- PU Flooring
- Traffic Deck Parking
- Cementitious PU
- Cementitious Self-leveling

MasterCoat

02

## CONSTRUCTION SYSTEMS (CS)

# PROTECTIVE COATING SOLUTIONS

Arkaz provides comprehensive protective coating solutions designed to shield concrete and steel surfaces from chemical exposure, carbonation, abrasion, and demanding environmental conditions.

- Epoxy & PU Coating
- Epoxy Polysulfide
- Anti-carbonation
- Epoxy Novolac

MasterShield

## CONSTRUCTION SYSTEMS (CS)

### JOINT SEALANTS SOLUTIONS

Advanced protection systems engineered to safeguard structures against water ingress, environmental exposure, and long-term deterioration, ensuring durability and reliability throughout the asset lifecycle.

- Sealants
- PU Sealants
- Polysulfide sealants
- Firestop sealants

MasterJoint

02

## CONSTRUCTION SYSTEMS (CS)

### TILE FIXING SOLUTIONS

Arkaz provides complete tile-fixing solutions designed to ensure strong adhesion, durable performance, and a high-quality finish for a wide range of tile applications.

- Cementitious Tile Adhesive
- Epoxy Tile Adhesive
- Tile Grout
- Tile Accessories

MasterCrete TIL

03

## CHEMICAL TRADING (CT)

### PRODUCT RANGE

Arkaz provides a wide range of specialty chemicals and raw materials that are used in the construction industry. We also carry a range of premium grade supplementary cementitious materials.

- Sodium Naphthalene Powder
- Sodium/Calcium Lignosulphonate
- Sodium Gluconate
- Polycarboxylates (PCE)
- Defoamer
- Biocides
- Set Accelerators
- Arcrete MS920 – Micro Silica
- Arcrete FA10 – Fly Ash
- Arcrete BFS100 - GGBFS
- PP Fiber
- Corrosion Inhibitor agent
- Hole Drilling Agent (HDA)
