Page 1 of 5

Surface Treatment	Curing Compounds	
	Water-based concrete curing compound	ENECURE WB
	Water-based concrete curing compound	ENECURE WB80
	Mold Release Agents	
	Solvent-based mold and form-work release agent	ENEREL SB
	Water-based mold and form-work release agent	ENEREL WB
	Cleaning Agent & Solvent	
	Concrete remover, cleaning and etching agent	ARKAZ Acid Etch
	Resin cleaning and thinning solvent	Solvent 104
Grouts & Anchors	Additives for Cementitious Grouts	
	Dry expanding additive	PIOFLOW EXPADD
	Cement Based Precision Grouts	
	General purpose cement-based, non-metallic, free-flowing non-shrink grout	PIOFLOW GP
	General purpose cement-based, non-metallic, free-flowing non-shrink grout	PIOFLOW GP*
	High flow cement-based, non-metallic non-shrink grout	PIOFLOW HF
	High strength cement-based, free flow non-shrink grout	PIOFLOW HS
	Non-shrink cement-based, free flow precision grout	PIOFLOW 621
	Non-shrink cement-based grout for post tensioned cables	PIOFLOW CABLE GROUT
	Resin Based Precision Grouts	
	Epoxy resin free flow grout	PIOFLOW EP10
	General-purpose epoxy grout	PIOFLOW EP150
	Anchoring Products	
Epoxy-based chemical anchor system	PIOFIX EP	
Polyester-based chemical anchor	PIOFIX ES

Concrete Repair Systems

Cement Based Repair & Plastering Mortars

Polymer rich, non-shrink, single component cement-based fairing coat	PIOREP FC
High performance extra fine premixed crack filler	PIOREP CF
High performance cement based self-compacted shrinkage compensated micro-concrete	PIOREP MC
High performance & strength, polymer modified, fibered cement-based patching mortar	PIOREP PATCH
Rapid setting mortar for leak plugging in running water	PIOREP PLUG
Premix cement-based plaster	PIOREP PLASTER
Premix cement-based bedding mortar	PIOREP MM200
Premix cement-based key-coat Spatter Dash	PIOREP Spatter Dash

Resin Based Repair Mortars & Compounds

Epoxy resin-based sealing and fairing coat mortar	PIOMORTAR FC
Abrasion & chemical resistant epoxy-based lining mortar	PIOMORTAR ELS
Two component thixotropic high-quality solvent-free epoxy resin mortar	PIOMORTAR TT
High build, general purpose epoxy repair mortar	PIOMORTAR HB
High strength bearing epoxy mortar	PIOMORTAR B

Adhesives & Primers

Concrete Bonding Agents

Acrylic emulsion hydrolysis-resistant cement, concrete modifier & bonding agent	ENEBOND ACR
Styrene Butadiene Rubber (SBR) hydrolysis-resistant mortar modifier & bonding agent	ENEBOND SBR
Styrene Butadiene Rubber (SBR) hydrolysis-resistant mortar modifier and bonding agent	ENEBOND SBR50
Epoxy-based concrete bonding agent	ENEBOND EP

General Purpose Adhesives

Multipurpose adhesive, bonding agent & sealer	ENEBOND PVA
Multipurpose adhesive, bonding agent & sealer	ENEBOND PVA105
Multi-purpose epoxy adhesive	ENEBOND FX
Cement-based Ceramic tile adhesive	ENEBOND CERTA
Cement-based Porcelain tile adhesive	ENEBOND PORTA
Epoxy tile adhesive and grout for Ceramic tiles	ENEBOND 489

Primers

Two-component solvent-free epoxy primer	PIOPRIME 38
Solvent based epoxy primer / sealer	PIOPRIME 62
An exclusive primer for CONGUARD AC	PIOPRIME AC
Single component epoxy Zinc rich primer	PIOPRIME ZINC-RICH

Industrial Flooring

Cement Based Floor Systems

Pre-mixed cement-based floor screed	STRATUM LVLcrete
Self-leveling cement-based underlayment mortar	STRATUM 360
Dry shake floor hardener for concrete floors	STRATUM HARDTOP
Quartz-based surface hardening compound for concrete floors	STRATUM Quartztop

Resin Based Self-Smoothing Floor Systems

Flow applied, 1 mm thick epoxy resin-based self-level flooring system	STRATUM SL1000
Flow applied, 2-4 mm thick epoxy resin-based, self-levelling flooring system	STRATUM SL3000
Flooring graded aggregates for non-slip floorings	STRATUM Anti-slip grains

Trowel Applied Floor Systems

Heavy duty epoxy resin floor screed	STRATUM 779
Heavy duty epoxy positive skid resistance system	STRATUM EPG

Floor Coating and Hardeners

Self-smoothing, high build, decorative, clear epoxy floor topping	STRATUM 3D
UV resistant polyurethane resin flooring system	STRATUM EPU
High Build epoxy floor coating	STRATUM HD400
High build, solvent-based epoxy resin floor coating	STRATUM EP750
Liquid floor hardener and dust proofer	STRATUM 110

Protective Coatings

Protective Coatings for Concrete and Steel

Flexible protective coating, based on epoxy polyurethane resins	CONGUARD EPU
Chemical resistant epoxy polysulphide elastomeric coating	CONGUARD EPS
Non-toxic chemical resistant epoxy polysulphide-based coating	CONGUARD EPSW
Epoxy resin based, non-toxic, high build solvent free coating	CONGUARD WRE
High build elastomeric acrylic coating & roofing membrane	CONGURAD RFG
Two-component solvent-free tar extended epoxy resin coating	CONGUARD ET350

Cementitious Coatings

Waterproofing mortar, non-toxic, for interior and exterior use	CONGUARD DC
Two-component, flexible, cement-based, waterproof coating	CONGUARD CM210

Anti-Carbonation Coatings

Elastomeric anti-carbonation protective coating	CONGUARD AC
---	-------------

Concrete Pore Treatments

Penetrating hydrophobic Silane-Siloxane Treatment for concrete and masonry	CONGUARD SN555
--	----------------

Polyurea & PU Spray Technology

Spray applied polyurethane foam system	ARKAZ SPR 220
Spray application premium polyurethane foam	ARKAZ SPR 230
Aromatic UV resistant premium, pure polyurea	ARKAZ POLYUREA 1044
Fast setting, rapid curing, aromatic, elastomeric waterproof pure polyurea coating	ARKAZ POLYUREA 1045
Economic hybrid polyurea system	ARKAZ POLYUREA HB1010

Waterproofing Coatings

Solvent-based bituminous primer	ARKSEAL PRIMER
Liquid-applied polyurethane waterproofing membrane	ARKSEAL W
Bitumen emulsion coating	ARKSEAL E
Cold-applied solvent based bituminous damp-proof coating	ARKSEAL D
Fibred cold-applied solvent-based bituminous coating	ARKSEAL F
Flexible rubberized bitumen emulsion	ARKSEAL R

Joint Sealants

Civil Engineering Sealants

High performance elastomeric single component polyurethane sealant	ENESEAL PU
Multi-component heavy-duty polysulphide joint sealant	ENESEAL PS600
Primer for polysulfide-based sealant	ENESEAL PRIME S
Single component acrylic-based sealant	ENESEAL ACR
Single component silicone-based sealant	ENESEAL SIL

Pavement Sealant

Flexible polyester cable loop sealant	ENESEAL 777
---------------------------------------	-------------

Joint Fillers & Swelling Bar

Swellable waterstop for in-situ concrete	ENESEAL SW45
Closed cell polyethylene backing rod	ENESEAL PBR
Bituminous impregnated joint filler board	ENESEAL BTF
Closed cell polyethylene backing board	ENESEAL XL
